Course Description:

This 16-hour part 2 follow-up seminar has been designed to review what we have practiced since our last meeting. We will practice dealing with conflict situations and take time to review our assessments in more depth.

During this 16- hour seminar, we will have an interactive, high-level leadership conversation where we will:

- Review the 4 areas to speak to in order to professionalize conflict situations and how to use 5 different conflict resolutions styles.
- Review the FIRES of leadership and develop strategies to navigate through them effectively.
- Have an in-depth assessment review, using our top level Tri-Matrix Leadership Assessment which will reveal: HOW you do what you do; WHY you do what you do; and your EQ. We will see how these 3 areas combined are your strengths as a leader as well as put together a development plan based on the participant's assessment results
